

District Level Report

Core Effectiveness by School

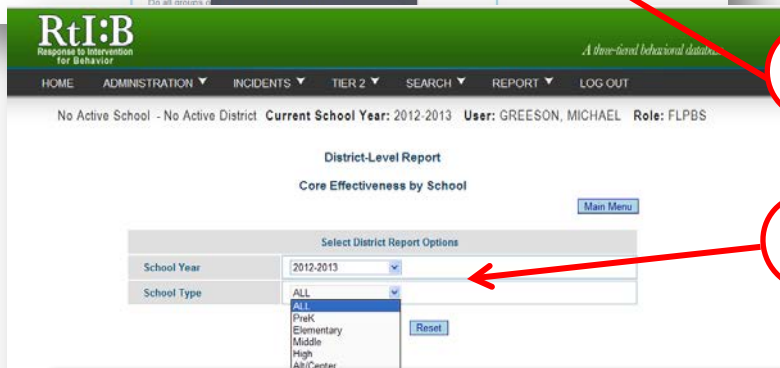

Core Effectiveness allows district personnel to determine if the majority of their schools have outcomes that indicate a relatively effective Tier 1 system.

1 Reports

2 District Level Reports

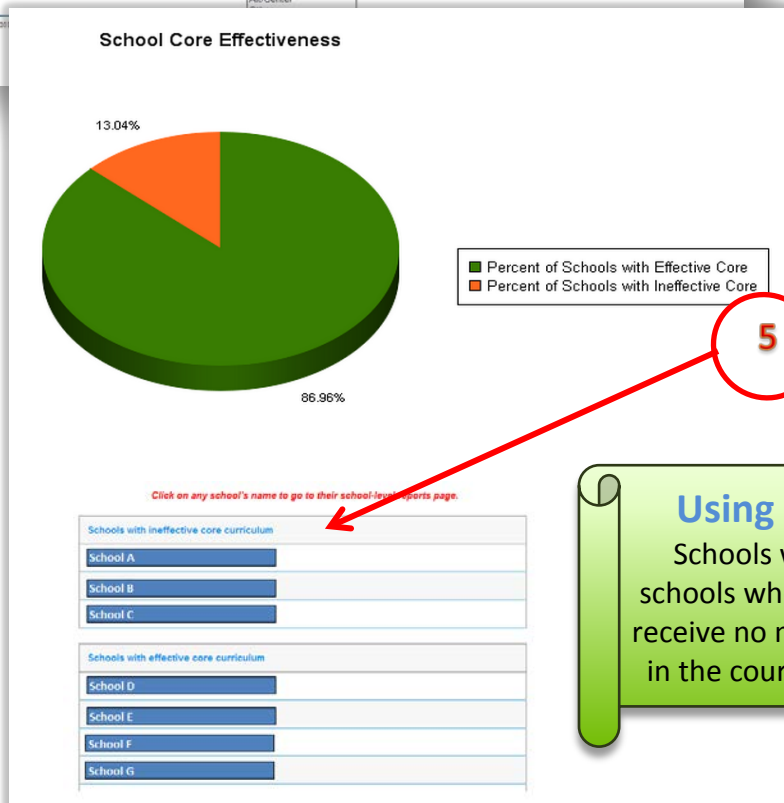

Only users with a District Administrator access level can generate this report.

3 Core Effectiveness by School

4

Select the school year and school type for the report.

5

The resulting pie chart allows district personnel to determine quickly if a large number of their schools are in need of assistance

Click on the school name to go directly to their school-level reports page.

Using Core Effectiveness
Schools with an effective core are schools where at least 80% of students receive no more than one office referral in the course of an entire school year.
