

The Core Report

The Core Report helps you to evaluate whether your core curriculum for behavior is effective for the majority of students at your school. (All levels except Teacher)

1 School level Reports

2 Tier 1 Annual Summary

3 The Core Report

Clicking on Core Report **3** automatically generates the MTSS triangle breakdown for the current school year (Major referrals only) **4**

To see other reports, click on the link for the **report options 5**

Core Report Options
Select the report for prior school years, and/or minor incidents.

Using the Core Report Data
If more than 20% of your students receive multiple referrals in a school year, it indicates that your core curriculum needs adjustment.
